

Janitorial Services/Logistician II, Bagram

Crisis Response Company (CRC) is seeking a qualified Janitorial Service and Logistics professional in support of the National Geospatial-Intelligence Agency (NGA), Expeditionary Support Services (ESS) program.

The overarching objective of this position is to support the National Geospatial-Intelligence Agency (NGA) in its overall mission of providing timely, relevant, and accurate geospatial intelligence in support of national security. The Expeditionary Operations Office (DOE) plans, deploys, and sustains GEOINT capabilities for military and civilian expeditionary and crisis operations, to include the domestic environment. The Office is responsible for NGA's rapid response to both CONUS and OCONUS expeditionary operations, and enables access to GEOINT data and services in austere environments with a quick turn response time. This ESS contract is the NGA's primary mechanism for delivering expeditionary support services to the Geospatial Intelligence (GEOINT) and Intelligence Community (IC) mission in deployed and crisis environments. This support encompasses, but is not limited to, planning, operations, technical support, and the preparation and deployment of personnel, equipment, and logistics requirements to meet NGA's mission, and the mission of the Department of Defense (DOD).

Key Personnel Required Qualifications

- Eight (8) years of experience in providing janitorial services, including but not limited to: cleaning of rooms, laundry rooms, latrines, gym, common areas, concrete pad sweeping, weed pulling, trash disposal, debris removal, and other various facility cleaning activities.
- Six (6) years of specialized experience in the janitorial field in support of NGA, DoD, DoS, or other similar agencies/entities.
- Required Security Clearance: Top Secret/Sensitive Compartmented Information (TS/SCI)

CRC offers a generous compensation package, extensive time off, and full benefits.
