

### **Cessna Technical Advisor**

Crisis Response Company (CRC) is seeking qualified Cessna Technical Advisors to support our contract with the Department of State, Bureau of African Affairs, Office of Security Affairs (AF/SA). The objective of this position is to train selected aviation personnel in West Africa on Cessna C-208B aircraft and respective mission equipment, such as Intelligence, Surveillance, Reconnaissance (ISR) and/or Casualty Evacuation (CASEVAC), so that PN aviation personnel are self-sufficient in the operations and maintenance tasks for Cessna C-208B aircraft.

#### **Key Personnel Required Qualifications**

- International Civil Aviation Organization (ICAO) Level 4 English Language Proficiency.
- Federal Aviation Administration (or equivalent) Airframe & Power Plant Certification
- Five years' experience with PT6 engines and three years on Cessna airframes.
- Holds a current Inspection Authorization (IA) certificate
- Five years' Supply Chain Logistics experience including experience with spares resupply and repair programs
- Military or civilian equivalent Maintenance Instructor Qualification.
- Three years overseas duty.
- Proof of medical clearance by a doctor of physical and mental fitness to perform duties of an aircraft mechanic to include lifting 50 pounds and working in Sub-Saharan climates without climate control

CRC offers a generous compensation package, extensive time off, and full benefits.

#### **About CRC**

Crisis Response Company, LLC (CRC) is a Service Disabled Veteran Owned Small Business (SDVOSB) formed in 2009 by leaders who have captured and led numerous and recent peacekeeping operations on behalf of DoS, DoD, United Nations, the African Union, and Private Industry. CRC's leadership formed the company with a single goal to enable Governments and Private Industry succeed in Security Sector Reform/Transformation, Subject Matter Expert Manning, and Defense initiatives around the globe.
