

### **Maintenance Advisor, Mali**

The Trans-Sahara Counterterrorism Partnership (TSCTP) is the United States Government's (USG) multi-year, multi-sector initiative to build the long-term capabilities of North and West African partners to contain, disrupt, and marginalize terrorist organizations and networks in the region. TSCTP partners include Algeria, Burkina Faso, Cameroon, Chad, Libya, Mali, Mauritania, Morocco, Niger, Nigeria, Senegal, and Tunisia.

Across the Trans-Sahara region, al-Qa'ida in the Islamic Maghreb (AQIM), Boko Haram, and associated violent extremist organizations continue to exploit political unrest, weak governance, insecurity, and ethnic conflicts to expand their reach and commit atrocities.

In support of this, Crisis Response Company (CRC) is seeking a qualified Maintenance Advisor in Mali to support our contract with the Department of State, Bureau of African Affairs, Office of Security Affairs (AF/SA). The objective of this position is to provide maintenance advisory services to the BAFS, Malian Armed Forces.

#### **Duties and Responsibilities**

- The Maintenance Advisor shall assist in maintaining all vehicles furnished through U.S. assistance by providing technical and advisory support for maintenance and logistics of vehicles, equipment, and maintenance facilities
- If asked to provide technical assistance, and/or advice, for non-U.S. procured equipment, the Maintenance Advisor shall request approval from the U.S. Office of Security Cooperation (OSC) and the COR.
- The Maintenance Advisor shall coordinate all maintenance support activities with the U.S. Office of Security Cooperation, to ensure that they are complementary to existing U.S. assistance to Mali's security forces.
- The Maintenance Advisor shall provide Preventive and Routine Operator, Organizational, and Depot level maintenance support for Mali's BAFS.
- The Maintenance Advisor shall provide Preventive and Routine Operator, Organizational, and Depot Level Maintenance Services.
- The Maintenance Advisor shall inspect U.S. provided equipment and conduct preventive maintenance; maintain inventory of spare parts and supplies; conduct post-maintenance operational checks and testing of systems.
- The Maintenance Advisor shall provide technical and advisory services to the BAFS on all maintenance and logistical support systems required to operate and maintain vehicles and other mechanical equipment, including maintenance facility and personnel training operations and processes, when requested by Mali's BAFS forces and approved by the U.S. Office of Security Cooperation.
- The Maintenance Advisor shall ensure all proposed activities are coordinated with and do not duplicate existing and planned U.S. maintenance support to the BAFS. U.S. Office of Security Cooperation will serve as the coordinating office.

### **Key Personnel Required Qualifications**

- At least two (2) years maintenance experience on vehicles such as the Toyota Hilux.
- Five (5) years' experience working in Africa, post-conflict, and/or developing nations.
- Five (5) years' hands-on experience working as an enlisted member or officer of the U.S. military.
- Two (2) years' experience developing and delivering training modules to foreign militaries. Experience may be demonstrated by serving as a 91Z58 Chief Instructor or equivalent.
- Two (2) years' experience advising foreign militaries.
- U.S. citizen capable of maintaining a Secret clearance.
- French language skills (DLPT 2/2 or above) preferred.
